

GSZ 8-280 PE

Die Grinder 28,000/min

Order number:: 7 223 17 60 09 0

Handy, high-performance die grinder for grinding and deburring work in difficult-to-reach spots, also suitable for semi-stationary use.

- Compact shape for use in exceptionally tight spots, 43 mm dia. collar for semi-stationary use as a milling motor (e.g. as a copy milling machine).
- Extensive operator protection thanks to KickBack Stop, self-start lock, soft start, and electronic overload protection.
- Innovative collets with wrap around collar for workpiece protection and to prevent the wrench slipping when changing tools.
- Variable speed allows different tools to be used.
- POWERtronic tacho electronics for enormous power, reserve capacity and extremely uniform speed under load.
- Motor and electronics protected against metal dust.
