## Technical data

Rated Pressure	1600psi
Max. pressure	2000psi
Flow	1.5GPM
Current	13A
Voltage	120V/60Hz
Protection Class	II
Max Water Temperature	60°C

## Product overview

1. Pressure gun with adjustable nozzle
2. Outlet connector
3. Inlet connector
4. Short pressure hose
5. Pressure hose
6. Hose reel
7. Switch
8. Build-in detergent bottle
9. Short pressure hose connector
10. Machine body
11. Cable
12. GFCI Plug
13. Inlet water hose
14. Water tap
15. Wheels
16. Detergent nozzle
17. Turbo Nozzle
18. Garden connector
19. Cleaning Pin
20. Wrench
