

Mechanics who smoke on the job make a bundle.

The Smoke Pro® finds more repair work guaranteed. It also helps sell those repair jobs to your customer.

The Smoke Pro® diagnostic leak detector will make you more money in less time. That's the Redline Detection guarantee. Customers say they make more money using the Smoke Pro® than any other tool in their garage.

The Smoke Pro® Diagnostic Leak Detector offers great benefits:

- Finds Leaks Faster — Faster diagnosis means faster repairs
- No More Guesswork — Smoke Pro® pinpoints leaks in any sealed system
- Faster Repairs — Mechanics can repair more vehicles everyday
- Find Repair Jobs — Finds leaks that customers didn't even know they had
- Eliminates Come-backs — Smoke Pro® instantly confirms the repair is successful
- More Accurate Service — No more "parts darts"

Many mechanics say the Smoke Pro® pays for itself in just a few uses. We are so certain you'll make more money faster with the Smoke Pro® that we *guarantee* it!

The New Improved Smoke Pro® Now More Compact, Lighter, and Twice as Sensitive

"The Smoke Pro makes money by saving time. No other tool you can buy will pay for itself faster."

—Professional Tool & Equipment News

"I didn't pay for my Smoke Pro, it paid for itself in two and a half weeks. Why didn't I get it a long time ago? I can't live without it."

—Steve Rorick, Master Certified Mercedes-Benz Technician
Owner, MB Elite in Newport Beach, CA
