*Estimated charge durations based on testing conducted by Milwaukee Tool at room temperature. Actual results may vary. Visit milwaukeetool.com/charge for a comprehensive list of charge durations.

*The time listed above is the time to charge 2 batteries on the M18™ Dual Bay Simultaneous Rapid Charger

80% Charge Indicator

Charging

80% Charged

100% Charged

- LED indicator flashes green when the battery is ~80% charged
- Gives the user confidence they can remove the battery if in a rush, and still complete a substantial amount of work

Simultaneous Charging

- Users can charge 2 M18™ batteries at the same time, utilizing a single outlet & eliminating the need to take multiple chargers to the jobsite

Wall Hanging

- Allows the user to easily mount the charger to any secure wall
- Versatile mounting and storage to fit in any environment
