

1100 LB HYDRAULIC ELECTRIC DUMP CART

ITEM NUMBER

OPD811

UPC

826518005722

6

DESCRIPTION

With a wet bucket for sand, gravel, concrete and more, the DK2 POWER OPD811 self-drive electric powered hydraulic dump cart runs for up to 6 hours on one charge and moves it all. Equipped with a hydraulic electric lift, this unit is capable of tipping its wet bucket to 90° vertically for easy unloading. The OPD811 comes with throttle bar speed control and articulated floating rear wheels to keep your load level and steady, while moving around the job site is effortless with forward and reverse speeds of 6 MPH and dual front wheel drive to climb over rough terrain with ease.
