

E450
FEATURES / SPECS

FEATURES

- PATENTED PRESSURE LUBRICATED PUMP**
 Rated 70,000HR Life expectancy
- PATENTED SILENT AIR SYSTEM**
 Lowering the decibels by more than 50% - Providing 4 layers of air filtration
- CONTINUOUS MODE FUNCTIONALITY**
 For workloads over 50% duty cycle eliminates wear and tear on your magnetic contactor
- BELT TENSION ADJUSTOR**
 Easy one-turn design reduces vibration and extends belt life
- AIR STREAM TECHNOLOGY**
 Allows air to flow under the pump
- AUTO TANK DRAIN**
 110-volt dual timer controlled, eliminates daily maintenance

SILENTAIR

SILENT AIR TECHNOLOGY

EMAX Compressor continues to set the standard in the air compressor industry. EMAX has designed a revolutionary air system like no other! Engineered and manufactured in the USA our patented Whisper Silent Air System dissipates compressor intake noise by channeling the intake air through a series of baffle plates. This low-profile system adds 4 levels of air filtration along with making the compressor quiet, reducing DBA ratings by as much as 50%.
