

GSZ 8-280 PL

Die Grinder 28,000/min

Order number:: 7 223 18 60 09 0

Handy, high performance die grinder with long reach for difficult grinding and deburring work in difficult-to-reach spots.

- Long, narrow neck allows tool to reach deep into workpieces (e.g. grinding inside pipes).
- Extensive operator protection thanks to KickBack Stop, self-start lock, soft start, and electronic overload protection.
- Innovative collets with wrap around collar for workpiece protection and to prevent the wrench slipping when changing tools.
- POWERtronic tacho electronics for enormous power, reserve capacity and extremely uniform speed under load.
- Replaceable rubber neck bearing casing.
- Motor and electronics protected against metal dust.
