**Read and Save These Instructions**  
This product conforms to UL Standard 60950.

**⚠ WARNINGS**

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This device complies with RSS-210 of Industry Canada. Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: Reorient or relocate the receiving antenna, Increase the separation between the equipment and receiver, Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. Consult the dealer or an experienced radio/TV technician for help. Note:Any changes or modifications to the transmitter or receiver not expressly approved by Hunter Fan Company may void one's authority to operate this remote control.

**Hunter Fan Company Control Limited Warranty**

The Hunter Fan Company makes the following limited warranty to the original purchaser of the plug-in controller ("Control"):Your Control is warranted to be free from defects in material and workmanship for a period of one year from the date of sale. If the Control malfunctions or fails within the warranty period due to a defect in material or workmanship we will replace it free of charge. IF THE ORIGINAL PURCHASER CEASES TO OWN THE CONTROL, THIS WARRANTY AND ANY IMPLIED WARRANTY, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE VOIDED. THIS WARRANTY IS IN LIEU OF ALL OTHER EXPRESS WARRANTIES. THE DURATION OF ANY IMPLIED WARRANTY, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, IN RESPECT TO ANY CONTROL, IS EXPRESSLY LIMITED TO THE PERIOD OF THE EXPRESS WARRANTY SET FORTH ABOVE FOR SUCH CONTROL. This warranty excludes malfunctions or failures which were caused by repairs by persons not authorized by us, mishandling, improper installation, modifications, or damage to the Control while in your possession, or unreasonable use. This warranty does not apply to batteries or to deterioration or damage to the product caused by the use of faulty batteries. IN NO EVENT SHALL HUNTER FAN COMPANY BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS OR THE EXCLUSION OR LIMITATIONS OF INCIDENTAL OR CONSEQUENTIAL DAMAGES SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.

Before Getting Started:

If you have not downloaded the app, do so now.  
Visit your app store and search **simpleconnect** then install.

Make sure a **SIMPLEconnect** compatible receiver is already installed in your fan.  
If you need more information, visit the Info screen in the app.

**If you wish to operate multiple fans with one plug-in controller:**

1. You will need an additional **SIMPLEconnect** compatible receiver (sold separately) installed in each fan. Receivers can be purchased at [www.HunterFan.com](http://www.HunterFan.com).
2. Complete the entire Setup process below for the first fan.
3. Once setup is complete for the first fan, tap the Gear icon on the main screen to navigate to the "Rooms Configured" settings screen.
4. For each additional fan, perform steps 7-10 on this page to complete setup.

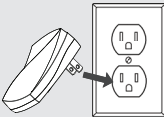

Setup:

**1 Record the PIN.**

Write down the PIN located on the plug-in controller. You will need the PIN to complete step 5.

PIN:

**2 Insert the plug-in controller to a wall outlet.**

The plug-in controller works up to 80 feet from the fan/receiver.

**3 Launch the app.**

Make sure Bluetooth® is enabled on your device before launching the app.

**4 Tap the Controller button in the app.**

If you are installing multiple plug-in controllers, be sure to tap the Controller button that coincides with the correct plug-in control.

Controller

No Rooms Configured.

**5 Enter the PIN.**

The 4-digit PIN can be found on the plug-in controller. Tap *Done* when finished.

**6 Tap the Gear icon shown below.**

Tap the Gear icon on the main screen to navigate to the "Rooms Configured" settings screen.

Gear icon

**7 Tap the Gear icon shown below.**

For independently operating fans, be sure to choose a Gear icon for a room that is not already configured. There is a maximum of four rooms per plug-in controller.

None

Gear icon

**To prevent faulty operation, please disconnect power from all other ceiling fans within range while performing the next three steps.**

**8 Go to Advanced Features. Tap the Pair button.**

Pair

If your bulbs support dimming, you may also turn on the dimming feature at this screen.

**9 Cycle power to the fan.**

Turn power off and back on at the wall (or circuit breaker if necessary).

Step 10 must be completed WITHIN THREE MINUTES of restoring power to the fan.

**10 Tap OK to confirm pairing.**

**Note:** The lights will flash (if applicable) and the fan will turn on at low speed. This is visual confirmation that the pairing was successful.

OK

**Congratulations!**

You have successfully set up your additional receiver. Tap the Back button twice to begin using the app to take control of your fan!

You can now reconnect power to your other fans.
