

SPEEDWASH RESIDENTIAL Power Washers

GENERAC®

A Complete Pressure Washing System

RESIDENTIAL POWER WASHERS

SPEEDWASH

Generac's SpeedWash™ power washers provide you with a complete washing system featuring best-in-class cleaning power. This complete cleaning system includes a family of innovative cleaning attachments to deliver better cleaning results in less time.

QUICK-CHANGE NOZZLE TIPS
0°, 25°, 40° and soap

HIGH PRESSURE FLEX HOSE
Most flexible hose in the industry; kink resistant; non-marring

EASY MANEUVERABILITY
Engine and pump are perfectly balanced over the axle for almost effortless maneuverability

USER FRIENDLY CONTROLS
All in a single location, including on/off, choke, and fuel shutoff

POWERFUL GENERAC OHV ENGINE
For maximum cleaning performance

AXIAL CAM PUMP WITH BRASS HEAD*
Lasts 2x longer than aluminum pumps (*Model 7122 only)

NEVER-FLAT WHEELS
Easy transport on rugged terrain and up stairs

ON-BOARD DETERGENT TANK
For added convenience

CLEANING TOOLS

POWERDIAL™ GUN

Allows you to easily adjust the pressure needed between four different tasks - car, wood, concrete and soap - at your fingertips

POWER BROOM*

Featuring 12" of surface coverage, Generac's Power Broom is equipped with high pressure nozzles to clean **4x faster** than standard nozzles.

Ideal for cleaning decks, patios, driveways and sidewalks.

(*Model 7122 only)

TURBO NOZZLE

With a rotating pinpoint stream, Generac's Turbo Nozzle is designed to remove stubborn dirt and grime off of tough surfaces **30% faster** than standard nozzles.

Ideal for cleaning hard surfaces like brick and concrete.

SOAP BLASTER

Generac's high pressure Soap Blaster nozzle sprays soap **3x farther** than a standard nozzle tip to penetrate tough stains and improve cleaning results.

A Tradition of Quality and Innovation

For over 50 years, Generac Power Systems has been a leader in innovative design and superior manufacturing. When it comes to developing products that are both durable and reliable, we stand head and shoulders above our competition. The result of our efforts can be seen across our many product offerings.

We design and build engine-driven power generation equipment, automatic transfer switches, control systems, air-cooled engines, power washers and water pumps.

Regardless of the product, our vertical integration allows us to control the quality, availability and flow of materials throughout the manufacturing process. And each product is factory tested prior to shipment. It is this ongoing commitment to quality and innovation that has made Generac a name that people have come to trust.
