DESCRIPTION

The trailer you've always needed has arrived with the DK2 MFT4x8 Folding Trailer Kit. High-performing, durable and versatile, this trailer is ready for work. Built with a patented welded steel frame and deck for added strength and easy assembly, you'll spend less time reading manuals and more time on the road. For increased safety and secure storage, the DK2 MFT is coated with high-performance anti-slip textured UV powder, all while maintaining its complete folding functionality. When it comes to trailers – there's truly nothing like it.
