EMPLOYER'S
RESPONSIBILITIESRESPONSABILIDADES DEL
EMPLEADORRESPONSABILITÉS DE
L'EMPLOYEUR

Employer must enforce compliance with the safety warnings and all other instructions which accompany this tool as shipped from the manufacturer.

Keep this manual available for use by all people assigned to the use of this tool.

For personal safety and proper operation of this tool, read and understand all of these instructions carefully.

El empleador debe hacer cumplir las advertencias de seguridad y todas las otras instrucciones que acompañan a esta herramienta como se la despacha desde el fabricante.

Mantenga este manual disponible para que lo usen todas las personas destinadas a hacer uso de esta herramienta.

Por razones de seguridad personal y la adecuada operación de esta herramienta, lea y comprenda todas estas instrucciones cuidadosamente.

L'employeur doit faire appliquer les consignes de sécurité et toutes les autres instructions qui accompagnent cet outil tel qu'il est livré par son constructeur.

Ayez ce manuel à la disposition de toutes les personnes chargées d'utiliser cet outil.

Pour assurer la sécurité personnelle et le bon emploi de cet outil, lisez et assimilez soigneusement toutes ces instructions.

TOOL USE

USO DE LA HERRAMIENTA

UTILISATION DE L'OUTIL

ENGLISH

ESPAÑOL

FRANÇAIS

- Read and understand "SAFETY INSTRUCTIONS" manual shipped with this tool before using tool.

- Antes de usar la herramienta lea y comprenda el manual "INSTRUCCIONES DE SEGURIDAD" despachado con ella.

- Lisez et assimilez le manuel "INSTRUCTIONS DE SÉCURITÉ" livré avec cet outil avant de l'utiliser.

- To prevent eye injuries, always wear OSHA-required "Z87.1" safety glasses with permanently attached, rigid, hard plastic side shields. These safety glasses must have "Z87.1" printed or stamped on them. Be sure everyone in your work area is wearing the same type of safety glasses.

- Para prevenir lesiones en los ojos, use siempre los anteojos de seguridad "Z87.1" requeridos por OSHA con escudos laterales rígidos de plástico duro y adheridos permanentemente. Estos anteojos de seguridad deben tener "Z87.1" marcado o impreso en ellos. Asegúrese que toda persona dentro de su área de trabajo use el mismo tipo de anteojos.

- Afin de protéger vos yeux contre les blessures, portez toujours des lunettes de sécurité OSHA "Z87.1" avec caches latéraux en plastique rigide. La mention "Z87.1" doit être imprimée ou poinçonnée sur ces lunettes de sécurité. Assurez-vous que toute personne se trouvant près du secteur de travail porte des lunettes de sûreté.

- Keep tool pointed away from yourself and others and connect air to tool.

- Mantenga la herramienta apuntando en dirección opuesta de usted y de otros y conecte el aire a la manguera.

- Maintenez l'outil pointé à l'écart d'autres personnes et de vous-même et raccordez l'air à l'outil.

TOOL USE	USO DE LA HERRAMIENTA		UTILISATION DE L'OUTIL
	ENGLISH	ESPAÑOL	
	<ul style="list-style-type: none"> Never use a tool that leaks air or needs repair. 	<ul style="list-style-type: none"> Nunca use una herramienta que tenga escapes de aire o que necesite ser reparada. 	<ul style="list-style-type: none"> N'utilisez jamais un outil qui a des fuites d'air ou qui a besoin d'être réparé.
To Load:	Para cargar:	Pour charger:	
<ul style="list-style-type: none"> Insert strip of nails into rear of magazine. For optimum performance use genuine Senco fasteners. Do not load with workpiece contact (safety element) or trigger depressed. 	<ul style="list-style-type: none"> Inserte la tira de clavos en la parte trasera del cargador. Para lograr óptimo rendimiento use sujetadores Senco genuinos. No cargue con el gatillo o elemento de seguridad (seguro) de la pieza de trabajo oprimido. 	<ul style="list-style-type: none"> Insérez une bande de clous à l'arrière du magasin. Pour une performance optimale utiliser des attaches Senco d'origine. Ne chargez pas avec un contact sur la pièce à travailler (éléments de sécurité) ou avec la gâchette enfoncée. 	
<ul style="list-style-type: none"> Pull feeder shoe back. 	<ul style="list-style-type: none"> Tire la zapata del alimentador. 	<ul style="list-style-type: none"> Tirez le pousoir en arrière. 	
<ul style="list-style-type: none"> This tool is equipped with a firing mode selection switch. To adjust the firing mode selection switch, first remove finger from trigger and disconnect the air supply. The down position is the Sequential (restrictive) firing mode, to change to the Contact-Actuation (Dual-Action) mode press the button in the center of the switch and slide upward and release. 	<ul style="list-style-type: none"> Esta herramienta está provista de un selector de modo de disparo. Para ajustar dicho selector, primero tiene que quitar su dedo del gatillo y desconectar el suministro de aire. La posición abajo es el modo de disparo secuencial (restrictivo), para cambiar al modo de activación por contacto (doble acción) oprima el botón en el centro del selector, deslícelo hacia arriba y suéltelo. 	<ul style="list-style-type: none"> Cet outil est équipé d'un sélecteur de mode de déclenchement. Pour l'actionner, ôtez d'abord votre doigt de la gâchette et débranchez l'arrivée d'air. La position du bas correspond au mode de déclenchement séquentiel (restrictif). Pour passer au mode d'actionnement au toucher (double action), pressez le bouton au centre du sélecteur, relevez le sélecteur et relâchez le bouton. 	
<ul style="list-style-type: none"> With a Contact Actuation (Dual-Action) trigger mode, nails can be driven two ways: <p>1) Position workpiece contact (safety element) against work surface and pull trigger...“Trigger Fire.” 2) Pull trigger and push workpiece contact against work surface. Each time the workpiece contact is pushed against the work surface a nail will be driven. This “bottom-fire” mode of operation is preferred when high production, rapid fastener placement is desired.</p>	<ul style="list-style-type: none"> Las herramientas con gatillo de acción doble pueden ser disparadas de dos maneras: <p>1) Oprima el seguro contra la superficie de trabajo y apriete el gatillo...Disparo de gatillo. 2) Para impulsar un clavo, oprima el disparador y deprima el elemento de seguridad contra la superficie de trabajo. Cada vez que deprima el elemento de seguridad contra la superficie de trabajo, impulsará un clavo. Este modo de operación de “disparo inferior” o “por rebote” es el preferido cuando se desea alta productividad y rápida colocación del clavo.</p>	<ul style="list-style-type: none"> Les appareils équipés de déclenchement “au touché / par gâchette” peuvent être utilisés de 2 façons différentes : <p>1) Déclenchement par “gâchette” : Appliquer le palpeur de sécurité de l'appareil à l'endroit désiré et activer la gâchette. 2) Pour planter un clou, tirez sur la détente et poussez l'élément de sécurité contre la surface de travail. Chaque fois que l'élément de sécurité est poussé contre la surface de travail un clou est planté. Le mode de fonctionnement en “tir continu” est préférable si vous désirez placer des attaches rapidement avec forte productivité.</p>	

TOOL USE	USO DE LA HERRAMIENTA	UTILISATION DE L'OUTIL
ENGLISH	ESPAÑOL	FRANÇAIS
<ul style="list-style-type: none"> With a Single Sequential (Restrictive) trigger mode, nails can only be driven one way. First depress workpiece contact (safety element) against work surface then pull trigger. This feature is helpful when precise fastener placement is required. Read the "Customer Satisfaction and Safety Reminder" (CSSR) in the tool and fastener boxes for safety information regarding the Contact-Actuation and Sequential trigger modes. Under certain conditions, the Sequential trigger mode may reduce the possibility of injury to you or to others working with you. 	<ul style="list-style-type: none"> Las herramientas con "Gatillo Restringido" solamente se pueden disparar con el gatillo. 1) Primero presione el elemento de seguridad contra la superficie de trabajo y 2) después apriete el gatillo. Ésta característica es útil cuando se requiere precisión en la colocación de los sujetadores. Lea el "Recordatorio de Seguridad y Satisfacción del Cliente" (CSSR) en las cajas de sujetadores y de las herramientas para información sobre seguridad de los Gatillos Restringido y de Acción Dual. Bajo ciertas condiciones, el Gatillo Restringido puede reducir la posibilidad de heridas a su persona o a otros que trabajen con usted. 	<ul style="list-style-type: none"> Avec une gâchette "restrictive", les clous ne peuvent être tirés que dans une seule direction. 1) Appuyer d'abord le palpeur de sécurité sur la surface de travail, 2) puis tirer sur la gâchette. Cette fonction est utile pour un placement précis de projectiles. Lire le "Rappel de Sécurité et Satisfaction du Client" (CSSR) dans les boîtes à outils et fixations pour les informations de sécurité concernant les Détentes à Double Action et à Restriction. Dans certaines circonstances, la Détente à Restriction peut réduire la possibilité de se blesser ou de blesser d'autres personnes.
<ul style="list-style-type: none"> To adjust the depth the fastener is driven, first disconnect the air supply. Using your thumb or index finger, rotate wheel to adjust the Depth Control safety element to achieve desired depth. 	<ul style="list-style-type: none"> Para ajustar la profundidad de sujetador, debe primero desconectar el aire. Usando el dedo pulgar o el dedo índice, rote la manivela para ajustar el seguro a la profundidad deseada. 	<ul style="list-style-type: none"> Pour ajuster la profondeur à laquelle le projectile est enfoncé, déconnecter tout d'abord l'appareil de la source d'air comprimé. A l'aide du pouce ou de l'index, faire tourner la molette pour ajuster la position du palpeur de sécurité.
<ul style="list-style-type: none"> Should a nail jam occur, disconnect air supply. 	<ul style="list-style-type: none"> Si se produce un altascamiento de un clavo, desconecte el suministro de aire. 	<ul style="list-style-type: none"> Au cas où il se produirait un coinçage de clous, coupez l'alimentation en air.
<ul style="list-style-type: none"> Release the feeder shoe and slide it forward. Remove fasteners from the tool. 	<ul style="list-style-type: none"> Suelte el alimentador y deslícelo hacia adelante. Retire los sujetadores de la herramienta. 	<ul style="list-style-type: none"> Relâcher le pousoir et le faire glisser vers l'avant. Enlever les projectiles.

Limited Warranty
SENCO® Pneumatic, DuraSpin®, Cordless Tools
& Compressors

Senco Products, Inc. ("SENCO") designs and constructs its products using the highest standards of material and workmanship. SENO warrants to the original retail purchaser that the following products will be free from defects in material or workmanship for the warranty period specified below:

Pneumatic tools (both XP and Pro)	Fusion Tools	Combo Kit Tools	Gas Tools
Five Years	Two Years	One Year	Two Years
Duraspin Tools	Air Compressors	Multi-Blow Hand Nailers & Stapling Hammers	
One Year	One Year	One Year	

During the warranty period (which begins on the purchase date), SENO will repair or replace, at SENO's option and expense, any product or part that is defective in materials or workmanship after examination by a SENO Authorized Warranty Service Center, subject to the exceptions, exclusions and limitations described below. Any replacement product or part will carry a warranty for the balance of the warranty period applicable to the replaced product or part. A DATED SALES RECEIPT OR PROOF OF PURCHASE FROM THE ORIGINAL RETAIL PURCHASER IS REQUIRED TO MAKE A WARRANTY CLAIM. Warranty registration also is required and can be accomplished through on-line Product Registration at www.senco.com or by completing and returning the postage paid warranty registration form included with your Operator's manual/parts chart information, found inside the product carton. To make a warranty claim, you must return the product, with proper receipt/proof of purchase and return transportation charges prepaid, to a SENO Authorized Warranty Service Center. A list of SENO Authorized Warranty Service Centers can be found at www.senco.com or by calling 1-800-543-4596 toll free. SENO will perform its obligations under this warranty, within a reasonable time after approval of the warranty claim.

Wheelbarrow Compressors:

1. Subject to the exceptions, exclusions and limitations described below, SENO warrants that the compressor pump will be free from defects in materials and workmanship for two years after the purchase date.
2. Defective parts of the compressor pump not subject to normal wear and tear will be repaired or replaced, at SENO's option, during the two year warranty period. If SENO determines that repair or replacement is not feasible, SENO will refund the purchase price less reasonable depreciation based on actual use.

SENO Cordless:

1. Subject to the exceptions, exclusions and limitations described below, SENO warrants that the SENO Cordless tool will be free from defects in materials and workmanship for two years after the purchase date.
2. SENO warrants that the batteries and chargers used with SENO Cordless tools will be free from defects in material and workmanship for one year after the purchase date.

WARRANTY EXCLUSIONS

The following warranty exclusions apply:

1. Normal wear parts are not covered under this warranty. Normal wear parts include, for example, isolators, drive belts, air filters, rubber o-rings, seals, driver blades, piston stops, and piston/driver assembly.
2. This warranty does not cover parts damaged due to normal wear, misapplication, misuse, accidents, operation at other than recommended speeds or voltage (electric units only), improper storage, or damage resulting during shipping.
3. Products used in production/industrial applications as defined by SENO are excluded from this warranty.
4. Labor charges or loss or damage resulting from improper operation, maintenance or repairs are not covered by this warranty.
5. SENO does not warrant the Wheelbarrow Compressor Engine/Motor, but the Compressor Engine/Motor may be covered under a warranty offered by its manufacturer.

GENERAL WARRANTY CONDITIONS

This warranty will be honored, only if:

- A. Clean, dry, regulated compressed air has been used, at air pressure not exceeding the maximum indicated on the tool casting;
- B. No evidence of abuse, abnormal conditions, accident, neglect, misuse or improper modifications or storage of the product; and
- C. No Deviation from operating instructions, specifications, and maintenance schedules exists (read Operator Manual for use, specifications, and maintenance instructions).

THIS WARRANTY IS THE ONLY WARRANTY ON THE PRODUCT, AND SENO DISCLAIMS ALL OTHER WARRANTIES. ANY IMPLIED WARRANTIES WILL BE LIMITED IN DURATION TO THE APPLICABLE WARRANTY PERIOD SPECIFIED ABOVE. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU. YOUR REMEDIES ARE SOLELY AND EXCLUSIVELY AS STATED ABOVE. SENO SHALL IN NO EVENT BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL, INDIRECT, OR SPECIAL DAMAGES. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. IN NO EVENT, WHETHER AS A RESULT OF A BREACH OF CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, SHALL SENO'S LIABILITY EXCEED THE PRICE OF THE PRODUCT WHICH HAS GIVEN RISE TO THE CLAIM OR LIABILITY. ANY LIABILITY CONNECTED WITH THE USE OF THIS PRODUCT SHALL TERMINATE UPON THE EXPIRATION OF THE WARRANTY PERIOD SPECIFIED ABOVE. NO EMPLOYEE OR REPRESENTATIVE OF SENO OR ANY DISTRIBUTOR OR DEALER IS AUTHORIZED TO MAKE ANY CHANGE OR MODIFICATION TO THIS WARRANTY.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

REPLACEMENT OF TOOL DUE TO NATURAL DISASTER

SENO will replace any tool destroyed by an Act of God such as flood, earthquake, hurricane or other disaster resulting only from the forces of nature. Such a claim will be honored provided that such original retail purchaser had previously submitted a completed warranty registration card for the tool, and then submits proof of ownership and an acceptable statement describing such Act of God documented by an insurance carrier, police department, or other official governmental source. To obtain instructions for filing a claim call 1-800-543-4596.

CUSTOMER SATISFACTION

One hundred percent customer satisfaction is our #1 goal. If for any reason the product does not perform to the original purchaser's satisfaction, it can be returned to the place of purchase **within thirty days** with dated sales receipt for a full refund of the purchase price.
