

7750B

1200 lb Low Profile Transmission Jack

APPLICATION & BENEFITS

- Low profile design allows access under vehicle as low as 6"
- Universal saddle adjusts to virtually any transmission
- Wide chassis safely distributes load and accommodates any transmission up to 1200 lbs
- Pump handle rotates 360 degrees for versatile operation in any direction
- Safe, controlled lowering of load by release valve knob
- Safety overload and bypass valves prevent jack from being used beyond its rated capacity
- All backed by 1 Year Warranty
