

NEW

GROHE K7 SEMI-PRO MEDIUM

The GROHE K7 Semi-Pro
Faucet's "Little Sister"

Reduced height
from 26.5 inches
to 21.5 inches

Shower arm swivels to
140° - easy clearance for
tall pots and cleaning

Spring arm allows for full
360° full-sink mobility
and coverage

Easily switch
between regular
water flow & spray
without turning
off the water

Solid metal
handyspray

SpeedClean®
Anti-Lime nozzle

Tall solid brass
base aptly supports
height (competitive
versions do not)

No interference
with the backsplash
- handle is calibrated
to turn 30° to the
back and 70° to
the front

Pure Freude an Wasser
