

Cordless Tool System

40V MAX* CHAIN SAW MODEL CS250

Whether you're a commercial landscaper, professional arborist, or a hardworking homeowner who simply demands the best, the OREGON® 40V MAX* Chain Saw is designed with all the battery muscle you need to get the job done. It runs cleaner, quieter and is free from the hassles of gasoline or cords. Pull the trigger and you have an instant start and long run time. Just charge the OREGON battery pack and you are always ready to go with lithium ion no-fade power. Created by the world's leading manufacturer of saw chain, only OREGON offers exclusive innovations, including the PowerSharp® precision saw chain sharpening system built into the chain saw.

Replacement Saw Chain, PowerSharp®

14-in (includes sharpening stone).....Part #548179

PowerSharp® Sharpening System

With the built-in PowerSharp Sharpening System, there's no more downtime due to dull chain. Simply pull and activate the PowerSharp lever for 3 – 5 seconds and the chain works like new. PowerSharp allows you to sharpen on the saw, on the job, in seconds™.

Fast – From dull to sharp in as little as three seconds

Convenient – Built-in sharpener means no extra tools are necessary

Tough – Durable, hard-working 3/8" pitch, low-profile chain

Precise – Perfect angles and knife-sharp edges
