

PUMP: 100% CAST
IRON CONSTRUCTION

 **EXTENDED
LIFETIME
WARRANTY**

FEATURES

- **PATENTED PRESSURE LUBRICATED PUMP**
Rated 70,000 Hr. Life Expectancy.
- **PREMIUM INDUSTRIAL MOTORS**
Low 1750 RPM's.
- **POWDER COATED ASME CERTIFIED TANKS**
200 PSI rating
- **MANUAL BALL VALVE TANK DRAIN**
Easy access to drain tank moisture.
- **QUALITY COMPONENTS**
We use B-style belts to ensure smooth operation. Top quality pressure switches, 100% brass valves, ASME certified tank, powder coated 13G Steel with premium grade expanded metal belt guards.
- **ETL CERTIFIED**
Tested to all safety standards and certified.
- **EXTENDED WARRANTY PLANS**
