# DK2 SNOW PLOWS

All DK2 Snow Plows allow you to quickly & effectively remove snow from your driveway or small parking lot. DK2's range of personal plows each mount on to a vehicle specific custom mounting brackets. Ships in a single carton complete with hardened steel cutting edge scraper, rubber snow deflector, polymer-wrapped wire rope plow markers, skid shoes, castor kit for easy storage, and a 3,000lb wireless electric winch.

- Fits most light trucks and SUV's
- Easy to mount – simply slides onto your custom vehicle specific mounting brackets in seconds. Slide out and roll away for storage
- An electric winch lifts the blade, controlled from inside your warm vehicle for easy up and down snow control
- Blade angles set and lock manually with a single lever lifting a pin to 3 blade locking positions: straight on, angled to the right, and angled to the left

- Powder coated all-steel construction with UV protected paint
- Locking castors allow easy plow attachment, removal, and roll away storage – just lower the wheels and roll the unit to wherever you want it
- ISO 9001 certified manufacturer
- 1 year limited warranty
- Ships in a single carton on a standard size pallet

Upgraded Winch

Upgraded Wireless Control

All versions ship in a single carton.

\*Custom Mount sold separately.

## DESCRIPTION

Our brand new DK2 Avalanche Snow Plow kits combine the simplicity of our original T-Frame plow with the strength of our custom mount frame.

The DK2 Avalanche Snow Plow allows you to quickly and effectively remove snow from your driveway or small parking lot. The Avalanche simply slides into a 2" front mount receiver for easy removal and storage.

Each snow plow ships in a single carton complete with hardened steel cutting edge scraper, rubber snow deflector, polymer-wrapped wire rope plow markers, skid shoes, castor kit for easy storage, and a 3,000lb wireless electric winch. Each Avalanche plow will also include a set of blade stiffeners for added strength by creating a 3 point connection.
